STATE ROUTE 330 WILL OPEN-OPEN-OPEN!

San Bernardino County – Caltrans is pleased to announce that State Route 330 (SR-330) will open around-the-clock to traffic in both directions beginning Thursday, October 26, at 5:30 a.m. Work will continue night and day on SR-330 with intermittent flagging.

There are several items of work along the lower slope, including placing dike and erosion control, which may require additional lane closures. The project is expected to be complete by December 1, 2006, weather permitting.

Tree removal will continue on State Route 38 (SR-38) tomorrow, October 26. The SR-38 bridge-widening project will not impede traffic since lane closures are minimal.

Caltrans will continue to work closely with the contractor and the SR-330 Task Force to insure that the public is aware of any work that may impede traffic. For more information on roadwork please go to our website at www.caltrans8.info or call us toll free at (866) 383-4631.
